

**Automatic through feed Edge Banding Machine
Model KI-TF505**

Specification:

Model	KI-TF 505
Panel length	120mm
Panel Length (When Round Trimming)	140mm
Panel Length (When Round Trimming)	130mm
Panel Width	60 mm
Panel Thickness	10~60mm
Panel Thickness (When Round Trimming)	10~45mm
Edge Thickness	0.4~15mm
Edge Thickness (When Round Trimming)	0.4~3mm
Feed Speed	9/18m/min
Feed speed (When Round Trimming)	13M/min
Power required	8.58kw
Pneumatic Power	0.7Mpa
Machine Size (LxWxH) mm	4800x850x 1650
Net W.T.	1950kg.

All specifications, dimensions & design characteristic shown in the catalogues are subject to change without prior notice.

**Automatic through feed Edge Banding Machine
Model KI-TF-509RM**

Specification:

Model	KI-TF 509 RM
Panel length	120mm
Panel Length (When Round Trimming)	≥ 140mm
Panel Length (When Round Trimming)	≥ 130mm
Panel Width	60 mm
Panel Thickness	10~60mm
Panel Thickness (When Round Trimming)	10~45mm
Edge Thickness	0.4~15mm
Edge Thickness (When Round Trimming)	0.4~3mm
Feed Speed	9/18m/min
Feed speed (When Round Trimming)	13M/min
Power required	15 KW
Pneumatic Power	0.7Mpa
Machine Size (LxWxH) mm	7800x1200x 1680
Net W.T.	2800kg.

All specifications, dimensions & design characteristic shown in the catalogues are subject to change without prior notice.

**Automatic through feed Edge Banding Machine
Model KI-TF-509M**

Specification:

Model	KI-TF509-M
Panel Length	≥ 160mm
Panel Width	≥ 80mm
Panel Thickness	10~60mm (no Premilling)
Panel Thickness (Premilling)	10~47mm
Edge Thickness	0.4~15mm
Feed Speed	9/18m/min
Power Required	12.18 KW
Pneumatic Power	0.7 Mpa
Over all Size(L×W×H)	4765 x 850 x 1380mm
Net Weight	1750kg

All specifications, dimensions & design characteristic shown in the catalogues are subject to change without prior notice

**Automatic through feed Edge Banding Machine
Model KI-TF360C**

Specification:

Model	KI-TF360C
Panel Length	≥ 120mm
Panel Width	≥ 60mm
Panel Thickness	10~60mm
Panel Thickness (Premilling)	–
Edge Thickness	0.4~3mm
Feed Speed	0~16m/min
Power Required	4.63KW
Pneumatic Power	0.6 Mpa
Over all Size(L×W×H)	2400 x 850 x 1350mm
Net Weight	840kg

All specifications, dimensions & design characteristic shown in the catalogues are subject to change without prior notice.
